

# Epson DFX-8500

## DATASHEET

### Experience our fastest one.

The new 18-pin dot matrix printer Epson DFX-8500 combines high printing speed of up to 1120 characters per second with convenient operation and economical usage. Therefore, this high-performance printer is perfectly suited for high print volume and permanent operation. Whether banks, insurance companies or other service companies in industry or for the authorities, its technical innovations make the new Epson DFX-8500 the ideal printer. In addition to the printing speed the printer's versatility, reliability and an extreme long life expectancy are further advantages. The print volume amounts to 26 million lines and the print head life amounts to 400 million characters. The fully covered casing makes the DFX-8500 a quiet printer and protects it against dust and other external influence. The new Epson DFX-8500 - Epson's top model - offers a more favorable price-performance-ratio than you might think.

### KEY FEATURES

- Printing speed of up to 1120 cps
- Network connection via optional interface cards
- Up to A3 size and internal barcode fonts
- High reliability and long life
- Many automatic paper functions

## PRODUCT SPECIFICATIONS

### PRINT

Carbon Copies 7 plus one original

### CONNECTIVITY

Interfaces Parallel

### GENERAL

Product dimensions 700 x 382 x 369 mm (Width x Depth x Height)

Product weight 29 kg

## LOGISTICS INFORMATION

SKU C11C204041GE

EAN code 8715946120843

Multiple Order Quantity 1 Units

Country of Origin Japan

Pallet Size Euro 8 Units

## Epson DFX-8500

### SUPPLIES
