

S/SC 03 Sound Cover

PP 404 / PP 405 / PP 407

- Maximum performance by minimum sound emission
- External bar for separating the printed paper without open the top cover
- Fanless operating allows a total silence at idle mode of printer
- Perfect adapted design of printer and printer stand
- Extendable bottom panel for convenient user and service access
- Robust design
- Printer protected against pollution
- Ideal for use in noise-sensitive office environments

Photo shows PP 407 with printer stand and new sound cover S/SC 03

The new sound cover S/SC 03 in combination with the printer stand is **your** professional solution for maximum printing performance at a minimum sound emission for the application with the high speed dot matrix printers PP 404, PP 405 (fanfold) as well as PP 407.

Due to the custom made sound cover the sound level reduces by up to 10 db(A) and thus extends the application field for example to noise sensitive office environments. Additionally the printer will be protected against pollution in rough industrial environments.

The high-quality Plexiglas top cover allows a free clear view on to the printer, the display and the paper loaded. Additionally the top-class gas-pressure dampers provide a secure hold of the top cover in any position.

TECHNICAL DATA

Sound Cover S/SC 03 for PP 404/ PP 405 fanfold and PP 407

Dimensions (w x d x h):	Outside: 920 x 560 x 460 mm (height including printer stand about 1.140 mm) Insight: 840 x 464 x 310 mm
Weights:	38 kg net (42 kg including Packing) 65 kg including palette (delivery on palette 800 mm x 1.200 mm only)
Colour:	RAL 7035 light grey
Completion:	<ul style="list-style-type: none">- Melamine resin coated MDF corpus- Plexiglas made pane- Top-class gas-pressure dampers for secure hold of the top cover in any position- 20 mm acoustic foam- Two slots in the bottom plate for separate paper input to the Tractor Cassettes- Wiring through dust cover- No extra power for the sound cover required- Extensible bottom plate for comfortable access by users and service clerks
Sound reduction:	About 10 db(A) (measuring from front side)
Order number:	8709-002-60302
Description:	Sound Cover S/SC 03 PP 404/ 405 fanfold/ 407

Printer extendable on the bottom plate into the sound cover

Two separate paper slots
(Photo shows PP 407 into the Sound Cover)

Rear side with tear-off bar
