STANDARD

Standard sensitivity with good imaging characteristics. A general purpose, economy grade providing optimum roll length for high yield and maximum duty-cycle efficiency. 7-year image life when stored under proper conditions.

PREMIUM

Standard sensitivity with good imaging characteristics for text, barcodes and graphics. Provides all the benefits of our Standard grade product but with enhanced image stability and phenol-free chemistry. 10-year image life when stored under proper conditions.

PREMIUM DURABLE

Top-coated for excellent environmental resistance. High sensitivity for dark, crisp images and made with a heavier base weight material for increased durability and a premium feel. Enhanced image stability and phenol-free chemistry. 25-year image life when stored under proper conditions.
